DOUBLE GLASS

DESCRIPTIONS OF GOOD

1- 60 liters capacity

- 2- 1.900 watt stainless steel resistance
- 3- Thermostat adjustable between 50-300 C
- 4- Timer 10'-90'
- 5- 6 function switch
- 6- Electrostatic external coating
- 7- Oven inner side and front face covered with antibacterial enamel
- 8- Easy cleaning and corrosion resistant
- 9- Shockproof tempered **double glass** door

10- Ergonomic design

- 11- Insulation with no health risk and for optimized use of heat and energy
- 12- Without bottom resistance protect cover
- 13- Rotisserie
- 14- Lamp
- 15- Turbo fan
- 16- Cromed Grill
- 17- Colorbax Packaging with strafor
- 18- Glass seal rubber

OPTIONS

- Rotisserie
- Turbo fan
- Deepfrost function
- Thick resistance
- Double glass
- Totplate
